

## Support our APG Students and Staff by giving to the Jag Fund!

### Hello A.P. Giannini Community!

Our APG Jag Fund is a collective fund of contributions by families that we use to provide school-wide support to every student and staff member. This year, we are focused on building a strong community now that our kids are back in the classrooms.

Our funds are focused on teacher professional development training, the Outdoor Science program, classroom grants, and teacher/staff stipends. The funds also allow us to host monthly faculty-staff appreciation breakfasts and treats, provide nutritious snacks in the student wellness center, and build libraries for our Reader Workshops. We purchase cozy APG gear for sale and P.E. uniforms, given at no cost to all students.

**Our goal this year is \$65,000, and we are suggesting a donation of \$400 per student for the 2021-22 school year, or about \$40 per month.** Your contribution to the Jag Fund is 100% voluntary, and we appreciate any amount you're able to give at this time.

There's much more to come — thank you for your enthusiasm and generosity for APG!
