Visual Arts

Visiting Artist Asual Aswad joins 7th and 8th grade visual arts classes in printmaking *Talking Cloth*.

Adinkra cloth communicates through a language of symbols. Students painted stamps and placed their designs on fabric to create their own special meaning. These symbols remind people of specific proverbs and ideas which have special meanings—unity, patience, fearlessness, and so on. A chief on a mission of peace might wear clothing printed with the Binkabi symbol, which stands for unity.

Sculpting Seeds with Modeling Clay

If You could have 5 seeds at the end of the world what would they be? How could you merge real and invented seed forms to create an innovative seed sculpture? How would you create texture on your seed that accentuates the form and adds interest? These guiding questions led students on their sculpting journey with modeling clay.

REMINDER

Please help our APG community stay healthy. If you are a student with symptoms of cold/ flu/ RSV/ Covid19/ Noravirus/ any virus, please stay home. We encourage you to test for Covid19 as well. You may use the Covid19 antigen test kits sent home with students 2 weeks ago, or students may request an antigen test kit at the Wellness Center from Nurse Judy or Ms. Dean /Social Worker. We have access to COLOR testing kits thru March.

COLOR Testing Continues Through March 2023

Test kits are available at school sites (drop off before 10:00am) and central office locations (drop off before 4:30pm). Pick-up times vary so be sure to check the sticker on the bin to see if samples have been picked up for the day. Testing is not mandatory. Please see the [COVID testing options](#) on the SFUSD website for central office locations. For city testing options, please visit sf.gov/drop-testing.

THANK YOU!
