Annual Social Emotional Learning/Culture Climate Survey

Each spring, staff, students (Grades 4-12), and families are surveyed regarding their experiences at schools (social emotional learning/culture and climate). The [2023 Social Emotional Learning/Culture Climate surveys](#) will take place **February 27- March 15, 2023**.

This [survey](#) is part of our schools' and our district's accountability system, and one way we measure the Culture and Climate of our school.

- The Family Culture-Climate [Survey](#) is one important way to help us understand how families feel about our school and their child's learning, and how our school can improve.
- There are no right or wrong answers to any of these questions. We just want to know everyone's honest opinion.
- This survey is very important to helping us understand how we can improve the school, so please be sure you [fill it out before March 15th!](#)

- **Crystal Cervantes, APG Beacon Site Coordinator** (ccervantes@bacr.org)

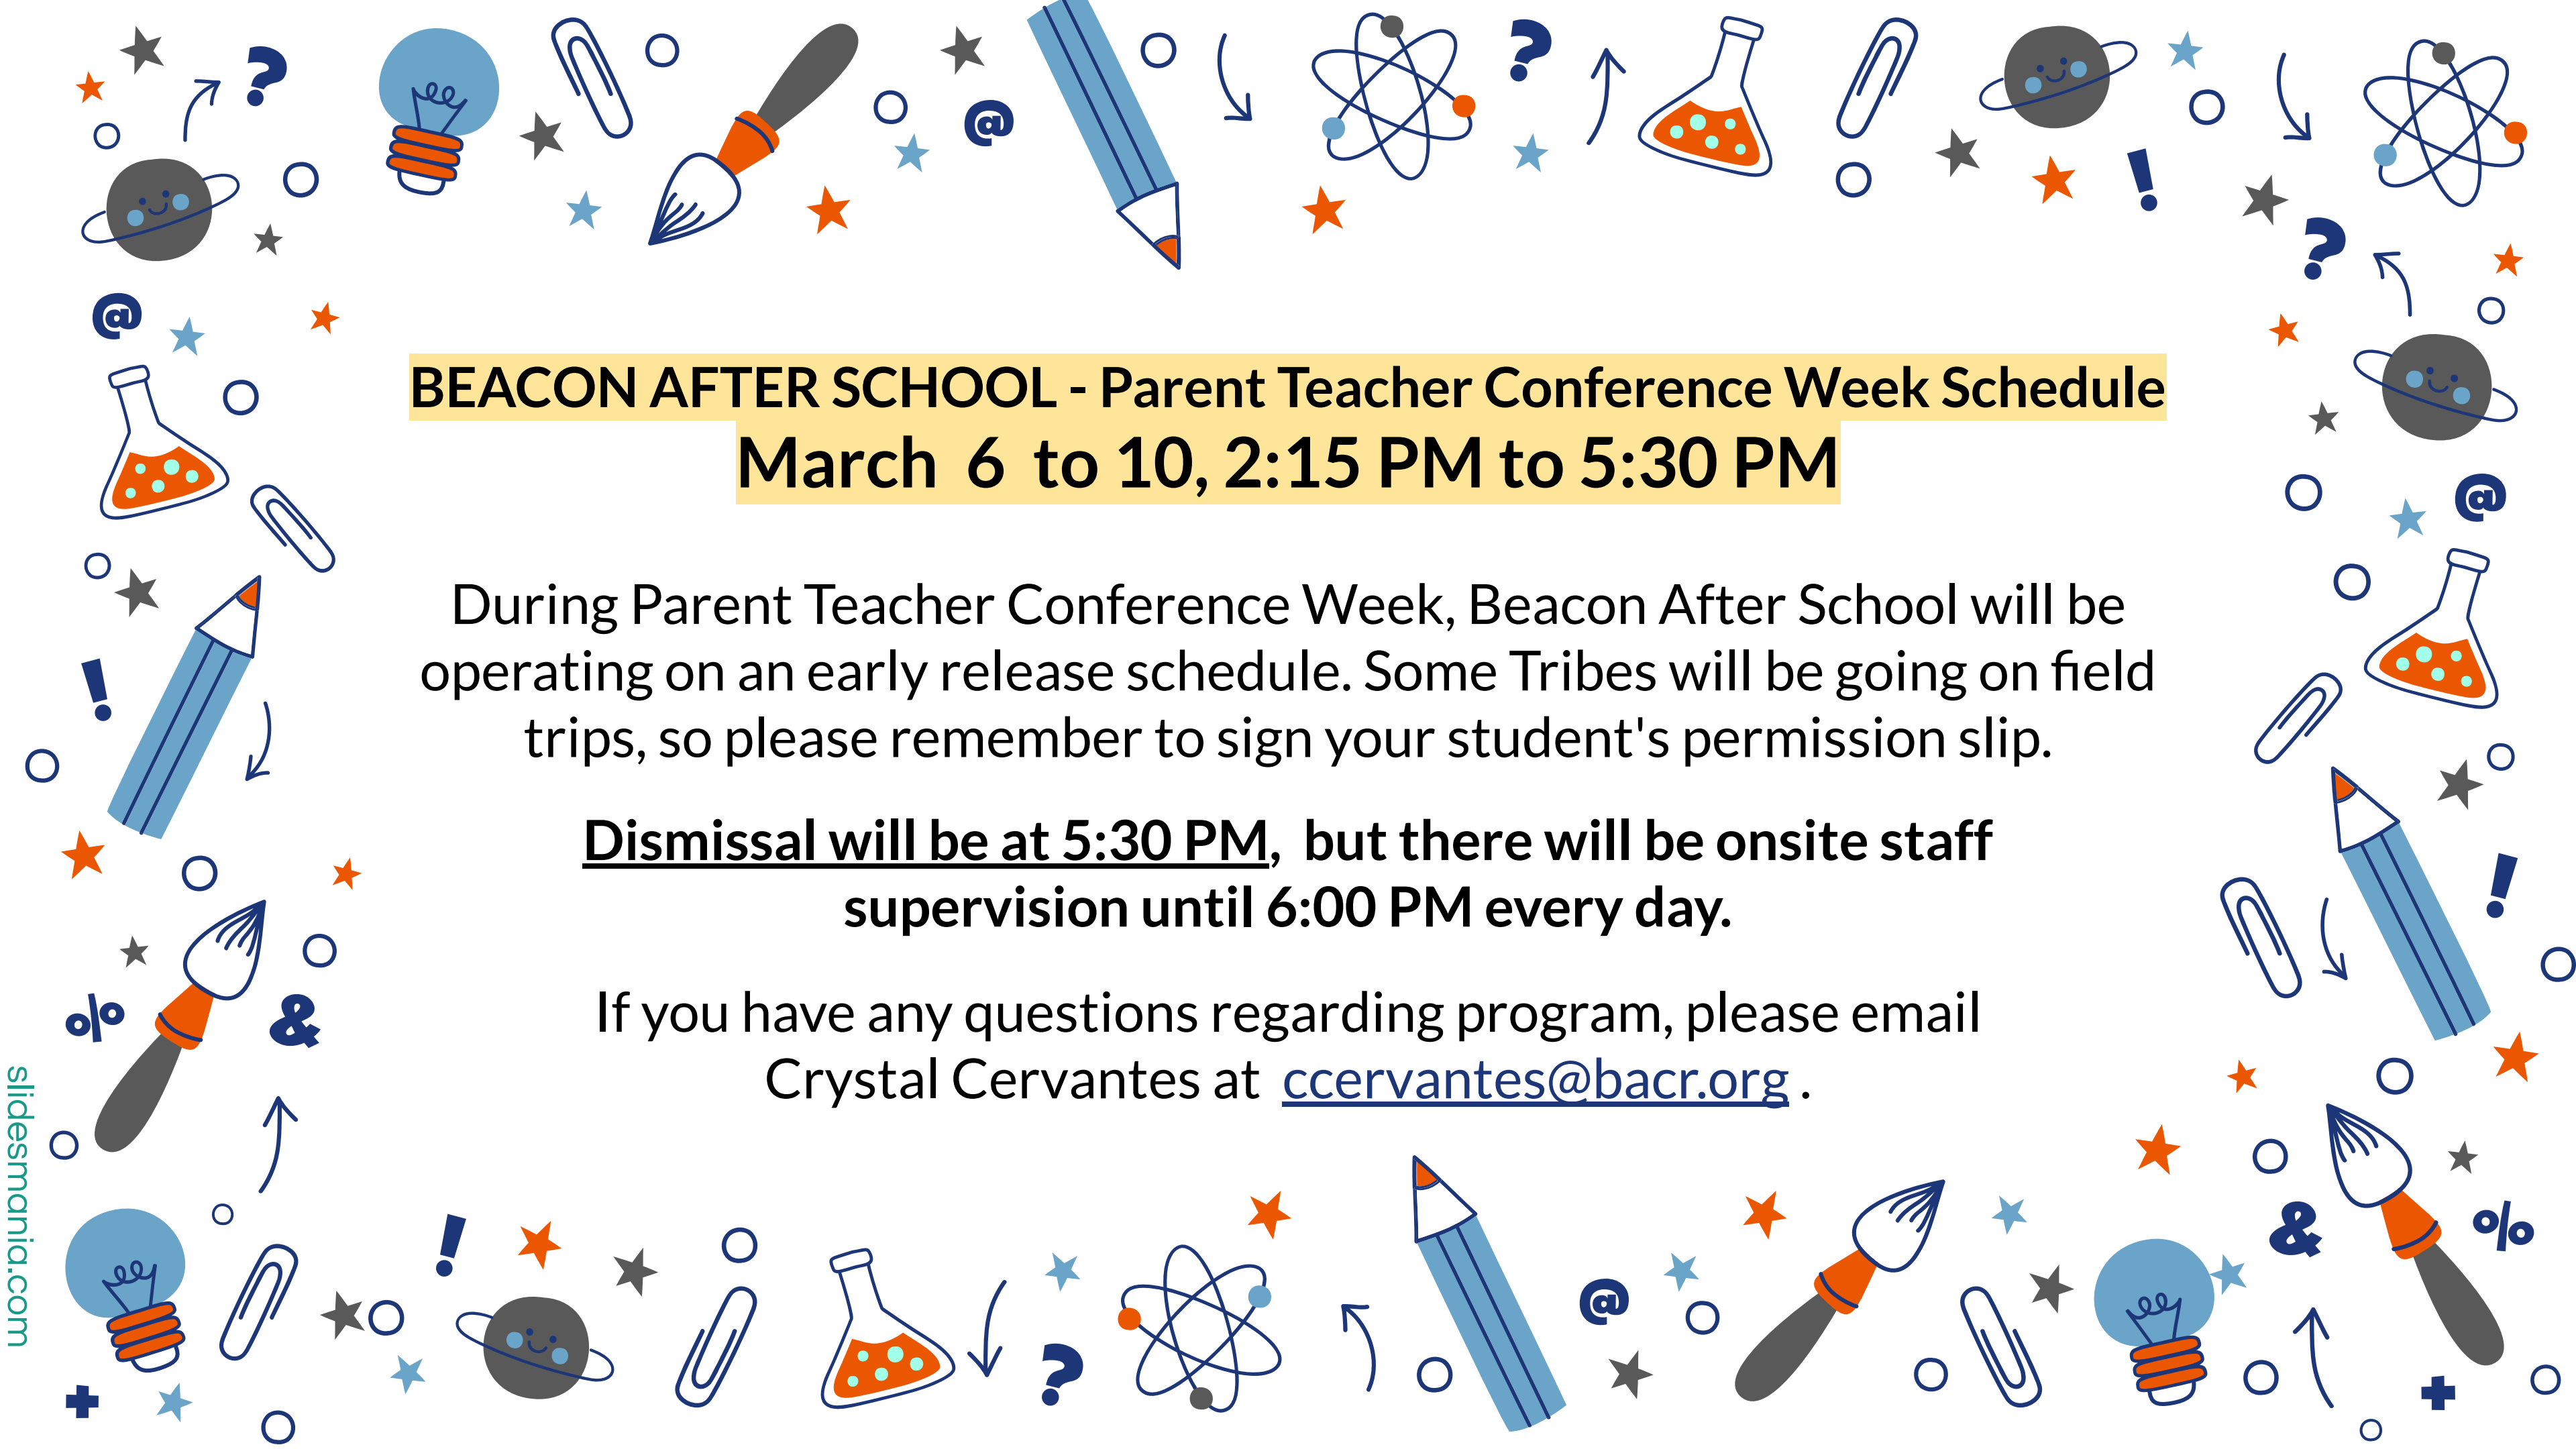

Dear APG Families,

As a reminder, our **parent-teacher conferences will be held from March 6 - 10 (2:15-4:00)**. Because we have 1,200 students, holding an individual parent conference for every child within the PTC window is not possible. However, you may have received a request from the grade-level counselor to meet with your child's teachers, or you may be interested in requesting a conference to find out how your child is doing and what you can do to partner with your child's teacher to make sure they have a successful school year. We encourage your children to participate in the conference. For your convenience, the conferences will be virtual unless you prefer an in-person meeting. As a reminder, **there will be EARLY DISMISSAL AT 2:15PM DAILY for ALL STUDENTS from March 6-10** to accommodate conferences. Suppose you did not receive a request to meet for a conference from the counselors and you are interested in connecting with your children's teachers to see how things are going this semester. In that case, you can schedule a conference by contacting the grade-level counselors; see info below. Our goal is to meet with all families interested in a conference.

❖ **Contact your child's grade-level counselor to schedule a conference:**

- **6th Grade - Mr. McDaniel (McDanielS@sfusd.edu)**
- **7th Grade - Ms. Mei (meib@sfusd.edu)**
- **8th Grade - Mr. Jang (JangJ1@sfusd.edu)**

Changes to Transportation Services to Support Parent-Teacher Conferences

November 14-18, 2022
March 6-10, 2023

All elementary and middle school buses will have early dismissal during the weeks of November 14-18, 2022, and March 6-10, 2023, to support Parent-Teacher Conferences. The early dismissal will be based on the Wednesday schedule.

If, for example, a school has a 12:50 pm dismissal time on Wednesdays, during parent conference week the dismissal for Monday through Friday will be 12:50 pm. All buses, GenEd and IEP, will adhere to the revised schedule for Parent-Teacher Conference week.

Note: PK (both EES and co-located classes) are not impacted and their schedule and length of day remains the same.

The following services will be canceled during the weeks of Parent-Teacher Conferences to accommodate this change in the bell schedule.

- Elementary & middle school early releases
- Elementary, middle, and high school Therapy services after 12:00 pm
- All field trips using Zum buses

Please contact the Transportation Team if you have any clarifying questions or would like more information.

PARENTS/CAREGIVERS - FIELD TRIP HELP

Hi 6th Grade Families,

The 6th grade class will be going on our second **Ocean Ambassadors'** field trip on **Tuesday, March 21st.** Students should be on time to their regular first period class at 9:30am; we will depart shortly after that. We need chaperones!

This field trip takes us to observe marine mammals and sea animals in their natural habitats. We will be taking chartered buses to Tiburon, where we will have a short ferry boat cruise around the bay, and spend some time in a local park, observing wildlife.

Look for the permission slips and more information in early March. If you have questions in the meantime, please **reach out to your 6th grade student's science teacher.** As always, we need 3 chaperones per class to make this trip happen - please save the date of 3/21 if you're able and interested in joining us.

Thank you,
Spanier, Vendrolini, Nadig, and Van
6th Grade Science Teachers

We need YOUR HELP in order to offer YOUR students this fun adventure. We would love to have at least three chaperones per class! Please email your 6th grade student's science teacher and save the date of 3/21 for their field trip! More details will be forthcoming, and we'd love to have you join us. Thank you!
