LUNCH SERVICE UPDATE

There is a new milk dispenser available during regular meal service. When students pick up their meal, they have the option to pick up a cup and serve themselves from the milk dispenser. The milk dispenser serves higher quality 1% lowfat milk. Sometimes the supply chain can affect the sourcing of an exact product, but SNS is ordering from companies that are local and who offer organic milk. The current cups are recyclable, SNS hopes to provide compostable cups when cost allows. This new service is cheaper for the District than individual milk cartons, and helps decrease milk waste. We encourage students to only pour what they will drink, to decrease waste. Students are allowed to get second servings, if they want. If students prefer nonfat milk, the cartons are still available.

The A.P. Giannini Student Government is raising money for a campaign called Direct Relief that raises money for medical aid that goes directly to Turkiye and Syria. The Student Government needs your help to make that happen.

We have a goal of raising \$1,000 that will go towards helping people restore and rebuild what they have lost in the earthquake.

What to do if your student tests positive for Covid-19?

SFUSD continues to work with the SF Department of Public Health to implement health and safety protocols to mitigate the spread of COVID-19 in schools. Based on [updated public health guidance](#) on December 31, 2021 and [SFUSD Guidelines HERE](#).

Students and staff who have tested positive for COVID-19 can return after 5 days of isolation if:

- They no longer have a fever, AND
- Their symptoms are getting better, AND
- They have a negative test collected on or after day 5. Both PCR/NAAT/molecular and antigen tests are acceptable.

To report a positive case:

- **Please contact your grade-level Counselor and Ms. Dawson at our school.**
- Please call 415-660-9850 or email covidreporting@sfusd.edu until March 31st (system goes offline after that date)

Families may be contacted for further follow up if needed. If you have any questions regarding the SFUSD Covid protocol, please visit webpage [HERE](#) or contact our Principal (SchoemanT@sfusd.edu) or **School Nurse, Judy** (ZhengJ1@sfusd.edu).
