Adjusted Bell Schedule

Dear Families,

This school year, we will have a few 3-day weekends with a Friday off. To ensure that students have the same number of minutes per class those weeks, we have adjusted our [Thursday bell schedule](#) for 11/9, 12/21, 2/8, and 5/23.

Parent/Guardian-Teacher Conference

Dear APG Families,

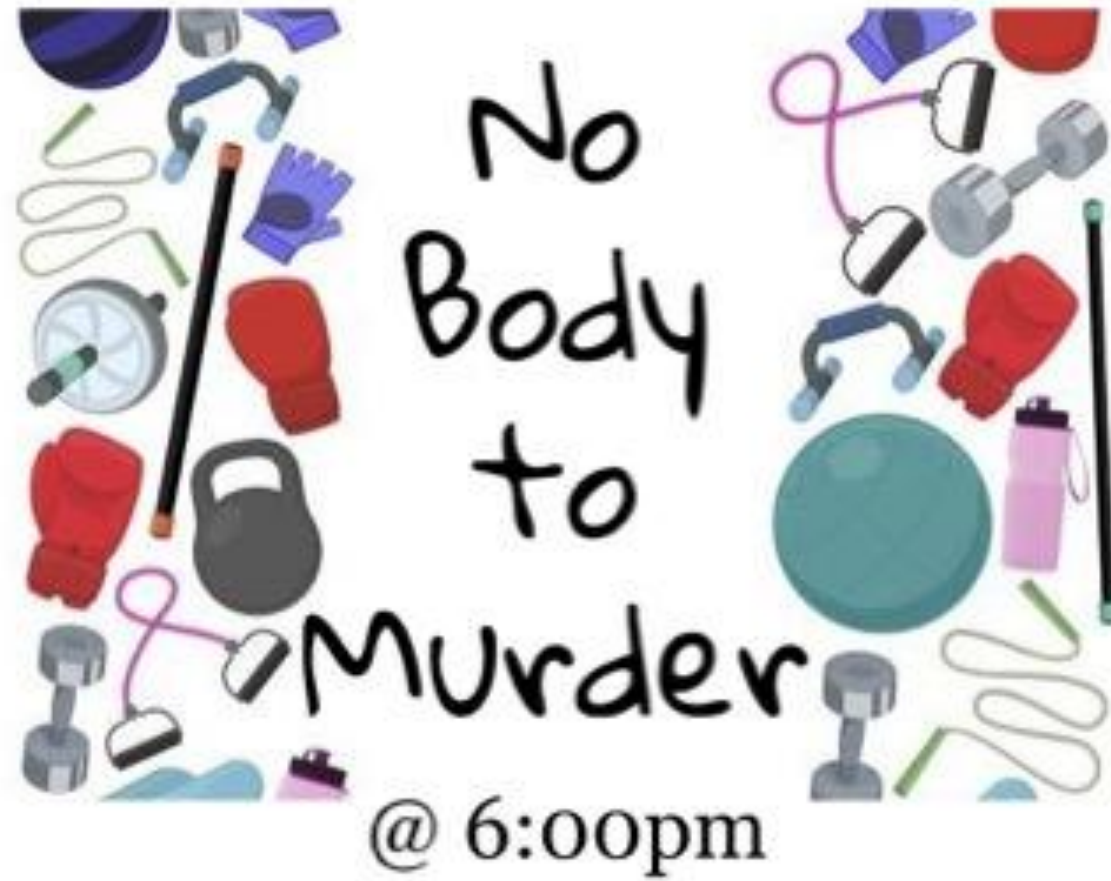

As a reminder, middle school **parent-teacher conferences are the week of 11/13-11/17 (2:15-4:00)**. Because we have 1,200 students, holding an individual parent conference for every child within the PTC window is impossible. For this reason, we prioritize conferences for students that the teachers identify. The grade-level counselors will be reaching out to families to schedule conferences with your child's teachers, or you may be interested in requesting a conference to find out how your child is doing and what you can do to partner with your child's teacher to make sure they have a successful school year. We encourage your children to participate in the conference. For your convenience, the conferences will be virtual unless you prefer an in-person meeting.

Suppose you have yet to receive a request to meet for a conference from the counselors and are interested in connecting with your children's teachers to see how things are going this semester. In that case, you can schedule a conference by contacting the grade-level counselors. Our goal is to meet with all families interested in a conference.

Contact your child's grade-level counselor to schedule the conference:

- 6th Grade - Mr. Jang (JangJ1@sfusd.edu)
- 7th Grade - Mr. McDaniel (McdanielS@sfusd.edu)
- 8th Grade - Ms. Mei (MeiB@sfusd.edu)

Thank you PTSA! Your financial support means a lot to us teachers and we appreciate the funds given to us to support our classrooms as we see fit. Public Education Event at Lincoln High School (November 8th) with Mayor Breed & Superintendent Wayne

Join SF Parent Coalition for this engaging conversation with Mayor London Breed, Superintendent Dr. Matt Wayne, Executive Director of the Department of Children, Youth, and Families, Dr. Maria Su, moderated by former School Board member Hydra Mendoza.

San Francisco is a city that should boast world-class public schools where every student thrives. Many SFUSD children are thriving in our schools. But we know that opportunity isn't distributed equally, and our district has one of the largest test score gaps in the state. As we grapple with these longstanding inequities, we simultaneously face budget realities, declining enrollment, staffing shortages, and the overdue need to rightsize the ship.

It's a critical moment for parents, educators, staff and community champions to work together to address these challenges and make sure SFUSD is on track to being a district where every child receives an excellent, equitable education. What can San Francisco Unified do; What can the City of San Francisco do; What can we expect from the state and federal government in the near future? We believe SFUSD has the opportunity to be bold and tackle these challenges in a way that both supports our educators and maximizes our focus on student outcomes, tying even more resources to each student, not less. We can't afford to get this wrong, because SF's kids can't wait.

Estás invitado: Evento del 8 de noviembre con la Alcaldesa London Breed, el Superintendente Dr. Wayne y la Dra. Maria Su de DCYF

San Francisco tiene escuelas públicas que deberían ser de las mejores en el mundo, donde todos los estudiantes pueden aprender y prosperar. Aunque muchos estudiantes en el SFUSD están teniendo éxito, sabemos que no todos tienen las mismas oportunidades. Nuestro distrito tiene una de las mayores diferencias en los resultados de las pruebas en todo el estado. También estamos enfrentando desafíos como problemas de presupuesto, menos estudiantes, falta de personal, salarios bajos para los maestros y la necesidad de hacer algunos cambios importantes.

Este es un momento crucial para que los padres, educadores, y defensores de la comunidad se unan y lidien con estos desafíos de manera decidida, asegurando que el SFUSD allane el camino para una educación excelente y equitativa para cada niño. ¿Qué puede hacer el Distrito Unificado de San Francisco? ¿Qué puede hacer la Ciudad de San Francisco? ¿Qué podemos esperar del gobierno estatal y federal en un futuro cercano?

Creemos que el SFUSD tiene la oportunidad de ser audaz y enfrentar estos desafíos de una manera que apoye a nuestros maestros y mejore los resultados de los estudiantes, asignando más recursos para cada estudiante, no menos. No podemos permitirnos cometer errores porque los niños de San Francisco no pueden esperar.

11月18日，誠摯邀請您參加與市長布里德(London Breed)、三藩市聯合校區學監韋恩博士(Dr. Wayne)以及兒童、青少年與家庭部主任瑪麗亞·蘇(Maria Su) 博士的座談會

三藩市應該擁有世界一流的公立學校，讓每個學生都能茁壯成長。許多三藩市聯合校區的孩子正在我們的學校裡茁壯成長。但我們知道機會分配並不公平，我們的校區是加州考試成績差距最大的校區之一。當我們致力於解決這些長期存在的不平等問題時，我們同時面臨財政預算緊張、入學率下降、人員短缺、教師工資過低以及長久以來存在的學校規模亟待調整等問題。

現在是家長、教育工作者、校區行政人員和社區倡議者共同努力應對這些挑戰，確保三藩市聯合校區能讓每個孩子都能接受優質且公平的教育的關鍵時刻。校區能做什麼？三藩市可以做什麼？我們期望州和聯邦政府可以盡快做些什麼？我們相信三藩市聯合校區敢於挑戰、克服困難，既支持我們的教育工作者，又最大限度地關注學生的學業成果，為每個學生提供更多而不是更少的資源。我們無法承受在這個問題上出錯，因為三藩市的孩子們已經不能再等了。

11月8日見！

2. Absences for which advance approval is necessary and was not obtained before the absence.
