FOSOTA (Friends of Ruth Asawa School of the Arts) has partnered with mural artist, Nico Berry, a 2023 California Arts Council Individual Established Artist Fellow, for a new mural project in SF. Sited alongside Woodside Drive in San Francisco, the project aims to transform a neglected urban corridor wall into a vibrant community mural championing arts education and honoring arts educators in San Francisco public schools.

[NOMINATION FORM HERE](#)

They are currently seeking input from families, students, teachers, staff, and community members! Please visit the link above and nominate any stand-out SFUSD arts educators you would like to see depicted in the mural.

The nomination form is open through Saturday, April 21, 2024. For questions, please email friends@fosota.org.

NOMINATE YOUR FAVORITE ARTS EDUCATOR!

FOSOTA / Friends of Ruth Asawa School of the Arts has been awarded a San Francisco Arts Commission grant to install a new mural that will celebrate arts educators who have inspired our young people in the classroom and beyond.

Sited alongside Woodside Drive in San Francisco, the project aims to transform a neglected urban corridor wall into a vibrant community mural championing arts education and honoring arts educators in San Francisco public schools.

The nomination form is open through Saturday, April 21, 2024.

To bring the wall to life, FOSOTA has partnered with mural artist Nico Berry, a 2023 California Arts Council Individual Established Artist Fellow who is known for engaging his communities in every step of the process—from planning to painting. Sharing his inspiration, Nico said:

Read more about the project at fosota.org or <https://linktr.ee/fosota>

"I envision large-scale portraits of SFUSD arts educators who—like the late Ruth Asawa—have contributed to bringing arts education to underserved communities and to students throughout the city. The mural will also weave in flowers and native plants among the portraits, reminding us all to "give people their flowers while they're still alive."

For questions, email friends@fosota.com

We are currently seeking input from families, students, teachers, staff, and community members: Please nominate any stand-out SFUSD arts educators you would like to see depicted in the mural.

Unexcused Absences

Definition of Unexcused Absence

Secondary (middle/high): Missing a full day of school, a class period, or being tardy 30 or more minutes within any class period of the school day.

Unexcused Absences Include:

1. Missing class or school without an excused or approved reason, whether the absence is student or parent/guardian/caregiver-initiated (eg for childcare or household shopping).
2. Absences for which advance approval is necessary and was not obtained before the absence.

Chronic Absence

In our effort to promote satisfactory attendance, parents may receive calls after any absence, and can expect calls or written notification if “excused” absences become in excess of 10% of the school days. If excused absences or tardies due to illness exceed 10% of school days, the administrator may request medical verification of the need for absence.

COVID-19 Updates for Students Only

On January 9, 2024, the California Department of Public Health released updated [COVID-19 isolation guidelines](#) for the general public. The updated CDPH [guidance](#) has moved away from recommending five days of isolation. The new recommendation for students is to stay home if they have tested positive or have been diagnosed with COVID-19 until they have NOT had a fever for 24 hours without using fever reducing medication AND other [COVID-19 symptoms](#) are mild and improving. The revised guidance and associated documents are now posted on the [Find All Guidance \(ca.gov\)](#)

What is staying the same for STUDENTS

- Students, regardless of vaccination status, are strongly recommended, but not required to follow the [CDPH guidance](#) and should stay home if they have tested positive or have been diagnosed with COVID-19.
- Students who have COVID-19 symptoms or who are a close contact of someone with COVID-19 are strongly recommended to follow the [CDPH guidelines](#), and they should isolate if they test positive.
- We will continue the current practice of recommending, not requiring, masks at all SFUSD school sites and central offices.
