SANCHEZ ELEMENTARY SCHOOL NEEDS TO RAISE \$20,000 IN ORDER TO KEEP ITS ACCESS HEALTH PROGRAM GOING DURING THE 2024-25 SCHOOL YEAR.

A.P. Giannini Middle School PTSA, parents, and community are raising funds for fellow SFUSD students at Sanchez Elementary School. Sanchez's PTA is just starting and has \$300 in its account. Thus, in partnership, we are helping to raise funds for this urgent need

ACCESS Health provides one therapist with a 1.5 days per week schedule during which they can carry a case-load of 8 students at Sanchez Elementary per year.

In the last seven years, through ACCESS Health program, Sanchez has supported 40 students and their families with individual counseling and family support specific to each student's needs.

Having on-site support at Sanchez reduces the referral timeline significantly and ensures that students and families get the support they need. Additionally, because services are scheduled at school, the impact on school attendance and loss of instructional minutes is also minimal.

Summer Arts & Architecture Workshop for Middle School Students

LIVING COLORS

THE ART AND ARCHITECTURE OF SAN FRANCISCO'S VICTORIANS

The San Francisco Historical Society is offering our third annual summer arts workshop for middle school students. This workshop is designed to teach young artists and architects about the history of San Francisco's most famous architectural style-the Victorian.

In this workshop, students will learn about the history of Victorians and how to identify the different styles of Victorian houses. Students will also learn how to use the color wheel to help them come up with a winning color combination for their own "painted lady."

The workshop includes: a field trip to Alamo Square where students will tour an amazing restored Victorian followed by a picnic lunch and a Q&A with Ask the Expert! Space is limited to 12 students per week! Pricing: \$300/week for Members; \$400/week for Public

Workshop Dates

- July 8- 12
- July 15- 19
- July 22- 26

The Workshops will be held Monday through Friday, 10:00 AM-1:30 PM at the SFHS Museum located at 608 Commercial Street in downtown San Francisco.

The workshop includes Kit Haskell's coloring book, *Authentic San Francisco Victorian Homes*. Students get to keep all the art supplies they use in the workshop.

Unexcused Absences

Definition of Unexcused Absence

Secondary (middle/high): Missing a full day of school, a class period, or being tardy 30 or more minutes within any class period of the school day.

Unexcused Absences Include:

1. Missing class or school without an excused or approved reason, whether the absence is student or parent/guardian/caregiver-initiated (eg for childcare or household shopping).
2. Absences for which advance approval is necessary and was not obtained before the absence.

Chronic Absence

In our effort to promote satisfactory attendance, parents may receive calls after any absence, and can expect calls or written notification if “excused” absences become in excess of 10% of the school days. If excused absences or tardies due to illness exceed 10% of school days, the administrator may request medical verification of the need for absence.
