2024-25 School Year FREE School meals for all SFUSD students

We are thrilled to share that Governor Newsom has signed AB 107, which secures \$1.85 billion in the 2024–2025 CA Budget to continue School Meals For All! This applies to SFUSD students.

This means that all APG Students will have access to 1 free Breakfast and Lunch every school day! Supper is also available for students in our Beacon afterschool; this is free through CACFP funding.

Students, parents, and staff can find their school's menu at sfusd.edu/menus.

SFUSD and CA Dept. of Education Policy: No student is denied a meal, a fruit and or vegetable required with every meal. Students will be offered nutritious meals to support their learning and development. We appreciate your partnership in talking to our new and transferring students who are yet to understand how the meal program works. Please talk with your student about how nutritious the school meals are and to encourage them eat at meal time!

NEW Meal Pin Numbers for Students at Middle Schools

The purpose of meal pin implementation is to ensure SNS is able to adhere to meal compliance and meal counting to reliably be reimbursed for complete student meals. This system **requests students to check out with a meal PIN after selecting their meal**. This allows us to continue serving free meals for students from multiple lines on campus, which helps keep the flow during meal service. Please share this information with any staff supporting meal service.

- To allow SNS Staff to support across the district, meal pin usage launch will be split up. Some sites will begin Pin number usage on Week 2 and some will launch on Week 3. You will receive an email detailing which week your school will start.
- Meal PINs are considered confidential student information, so they should not be shared with peers or teachers.

View the Implementation Schedule Below

***** Student Meal Pins Will be Needed Starting the Week of August 26-30 at AP Giannini *****

How will Students know their meal PIN?

- **Students with an email on file received an email before school started from “SFUSD Student Nutrition Services” containing their individual Meal PIN and instructions on how to access their meal PIN digitally.**
 - Meal PINs are also accessible for students in the StudentVue app.
- **View [here](#) various ways a School Staff member can help a Student access their meal PIN.**
 - Meal PINs are listed in Synergy.
 - As a last cause, Dining Staff can look up a student on their computer by name or Student ID. However, if this is done during meal service, it significantly delays the line.

Happy Back to School! Please direct your questions to SFUSD SNS at SchoolLunch@sfusd.edu .

SFUSD

Back to School Guide

Welcome to the new school year!

Dear SFUSD Students and Families,

I am excited to welcome your students to school on **August 19, 2024**. In the past few weeks, principals, teachers, and support staff have been busy preparing for students to return to schools from summer break. Personally, I am eager to visit classrooms and meet your students. I always love the excitement and energy of the first day of school.

As we say good-bye to summer and head into the new school year, please read below for some important information to help your family prepare for the first day of school.

Getting Ready for School

No matter what age, changes can bring up a lot of feelings and coming back to school, or beginning for the first time, is a big change for any child. It is important that educators, families and students stay patient and work together to support each other. We have included some [tips for preparing with your child](#) for their transition back to school.

Safety and Health

The safety of our students and staff remains our top priority at SFUSD. We are excited to cultivate strong relationships at our schools so that our students can learn in safe and nurturing environments.

Additionally, our community in San Francisco has done a great job with getting vaccinated. Required immunizations are an important part of protecting your child and our community from serious disease. Learn more about [how to keep your child and our school communities healthy](#).
