This Thursday, SAFEH Housing Survey will be distributed to your child. Surveys need to be completed and returned. Information about SAFEH can [here](#).

# SSC / ELAC Nomination - APPLY BY 9/11/24

Dear Families: A.P. Giannini is holding elections for school committees to be completed by **September 11, 2024**. [We invite you to nominate yourself](#) or others for the following:

- **School Site Council (SSC) - [click here](#)**
- **English Learners Advisory Committee (ELAC) - [click here](#)**

A **School Site Council (SSC)** must be established at **all** San Francisco Unified School District public schools. The elected members represent parents, students, community members, and school staff in school governance. The SSC is responsible for the development of the Academic Plan, and overall school site budget including any categorical funds. The SSC is expected to:

- Review the SFUSD Strategic Plan: *Beyond the Talk*.
- Review and analyze student data.
- Solicit community input and develop a needs assessment.
- Assist the principal in developing the BSC/SPSA and school site budget.
- Monitor the implementation and effectiveness of the BSC/SPSA on an ongoing basis.
- Approve the Academic Plan and school site budget before it is submitted to the District for final review and approval.

The purpose of the **English Learners Advisory Committee (ELAC)** is to advise the principal, SSC and school staff on programs and services for *English Learners*. The tasks are similar to the SSC's (stated above) and also include: the annual language census and ways to make parents aware of the importance of regular school attendance.

The school council and committees are needed to support all school programs. **You are invited to become a candidate for membership on the council and/or any or all of the committees of your choice.** The school & district are responsible for providing you with the information and training you need to be an effective member. Generally, the groups meet once a month for two hours. Each member is elected for either a one or two year term. Family members often offer insights on how effective our school is in creating a positive learning environment and how well their children understand their assignments. Perspectives, and parent participation/involvement are important to our school. If you have any questions, please do not hesitate to call (628-233-7151) or email ([schoemant@sfusd.edu](mailto:schoemant@sfusd.edu)) Mr. Schoeman, Principal. Thank you!

4.1.4 Excused and Unexcused

## Excused and Unexcused Absences

([SFUSD Board Policy 5113](#))

### Valid Excused Absences (Absences Excused by State law)

Verification of student absences is accepted only from parents/guardians/caregivers, or the student if they are 18 years old or older.

CA Education Code 48205 states that a student shall be excused from school when the absence is:

- 1 Due to the pupil's illness, including an absence for the benefit of the pupil's mental or behavioral health.
- 2 Due to quarantine under the direction of a county or city health officer.
- 3 For the purpose of having medical, dental, optometric, or chiropractic services rendered.
- 4 For the purpose of attending the funeral services or grieving the death of either a member of the pupil's immediate family, or of a person that is determined by the pupil's parent or guardian to be in such close association with the pupil as to be considered the pupil's immediate family, so long as the absence is not more than five days per incident.
- 5 For the purpose of jury duty in the manner provided for by law.
- 6 Due to the illness or medical appointment during school hours of a child of whom the pupil is the custodial parent, including absences to care for a sick child, for which the school shall not require a note from a doctor.

## Importance of Attendance

California law requires that children between the ages of 6 and 18 attend school every day. While the law does not currently apply to children below the age of six, research shows that early education (pre-school and kindergarten) is essential for future academic success. It is the parent/caregiver's responsibility to ensure that their child gets to school every day.

### Tips for Parents/Caregivers: Getting to School on Time

- Make sure your child goes to bed early and gets a good night's sleep.
- Develop a morning routine (get dressed, eat breakfast, brush teeth) and stick with it.
- Talk with your child about the importance of attending school every day for academic success.
- Arrange a time every night without interruptions for your child to do homework.

### Regular Attendance is Essential!

National and local research has shown that students with frequent absences, whether excused or unexcused, have lower literacy levels, lower grades and higher drop-out rates than students who attend school regularly.

The Governing Board believes that regular attendance plays an important role in student achievement. The Board will work with parents/guardians and students to ensure their compliance with all state attendance laws and may use appropriate legal means to correct problems of chronic absence or truancy. **Absence in excess of 10% or more days of school, whether those absences are excused or unexcused, will be considered Chronic Absence.**

For support in keeping your child in school, or if you have any questions about District Attendance Policy, please contact your school administrator or the Student Family Services Division, by calling (415) 340-1716, emailing [sflink@sfusd.edu](mailto:sflink@sfusd.edu) or submit an online form at [familylink.sfusd.edu](http://familylink.sfusd.edu).

# SFUSD to Announce Proposed 2025-26 School Closures, Mergers, or Co-Locations on September 18, 2024

Dear SFUSD Community,

On Wednesday, September 18, SFUSD will announce the schools **recommended** for closure, merger, or co-location for the 2025-26 school year. We understand that this news is deeply personal and challenging, and we are committed to ensuring the highest level of care and transparency throughout this process. Note, the **final vote to decide on school closures will occur at the December 10, 2024 Board of Education Meeting.**

## **For Families and Staff at Affected Schools**

Families and staff at the **recommended** schools for closure/merger/co-location will be notified through email, phone calls, and text messages in our seven main languages (English, Spanish, Chinese, Arabic, Tagalog, Samoan, and Vietnamese) on the afternoon of Sept. 18. Along with this notification, we will provide resources for parents and guardians on how to discuss these changes with their children, as well as guidance for teachers and staff on engaging with students in processing this news. A detailed transition plan tailored to support students, families, and staff at these schools will also be shared on the same day.

## **For the Broader SFUSD Community and Public**

SFUSD will publish the list of schools online at **SFUSD.edu** and will email all SFUSD families and staff in our seven main languages: English, Spanish, Chinese, Arabic, Tagalog, Samoan, and Vietnamese.

***Make sure your contact information is correct!*** ParentVUE is the best way for families to update their contact information to ensure they receive district and school notifications. Families may visit [www.sfusd.edu/parentvue](http://www.sfusd.edu/parentvue) for more resources. Questions? Visit the Family Portal Activation Toolkit. As a reminder, school administration and clerical staff can also update family contact information in Synergy.
