# Parent-Teacher Conference Week

Dear APG Families,

As a reminder, our middle school parent-teacher conferences are the week of 11/18-11/22 (2:20-4:00pm). There will be **EARLY DISMISSAL AT 2:15PM DAILY** the whole week! Because we have 1,200 students, holding an individual parent conference for every child within the PTC window is impossible. For this reason, we prioritize conferences for students that the teachers identify. The grade-level counselors will be reaching out to families to schedule conferences with your child's teachers, or you may be interested in requesting a conference to find out how your child is doing and what you can do to partner with your child's teacher to make sure they have a successful school year. We encourage your children to participate in the conference. The conferences can either be virtual or in-person at A.P. Giannini.

Suppose you have yet to receive a request to meet for a conference from the counselors and are interested in connecting with your children's teachers to see how things are going this semester. In that case, you can schedule a conference by contacting the grade-level counselors. Our goal is to meet with all families interested in a conference. Thank you!

**Contact your child's grade-level counselor to schedule the conference:**

- 7th Grade - Mr. Jang ([JangJ1@sfusd.edu](mailto:JangJ1@sfusd.edu))

### Changes to Transportation Services to Support Parent-Teacher Conferences

**November 18-22, 2024**  
**March 3-7, 2025**

All elementary and middle school buses will have early dismissal during the weeks of November 18-22, 2024, and March 3-7, 2025 to support Parent-Teacher Conferences. The early dismissal will be based on the Wednesday schedule.

*If, for example, a school has a 12:50 pm dismissal time on Wednesdays, during parent conference week the dismissal for Monday through Friday will be 12:50 pm. All buses, GenEd and IEP, will adhere to the revised schedule for Parent-Teacher Conference week.*

**Note: PK (both EES and co-located classes) are not impacted and their schedule and length of day remains the same.**

The following services will be canceled during the weeks of Parent-Teacher Conferences to accommodate this change in the bell schedule.

- Elementary & middle school early releases
- Elementary, middle, and high school Therapy services after 12:00 pm
- All field trips using Zum buses

**Please contact the Transportation Team if you have any clarifying questions or would like more information.**

# SECURE

## Get inside Lock Outside Doors

On Friday 11/8 we will have a secure drill:

- Students and staff will hear this twice over the PA, at the start of advisory: **“Get inside, Lock outside doors, secure the Perimeter”**
- We continue with the day as scheduled. PE classes and other outdoor work moves inside. Outside doors (not classroom doors) will be locked.
- 11/8 is an opportunity to practice, so we know what to expect if we have an actual emergency. Because this is happening during advisory, this is a great time to ask questions and process anything that may be confusing or scary.
- During a drill, security and administrative staff will check the perimeter for locked doors before releasing via the PA system. During an actual emergency, we would wait to hear from law enforcement before lifting the secure status.

## Excused and Unexcused Absences

([SFUSD Board Policy 5113](#))

### Valid Excused Absences (Absences Excused by State law)

Verification of student absences is accepted only from parents/guardians/caregivers, or the student if they are 18 years old or older.

CA Education Code 48205 states that a student shall be excused from school when the absence is:

- 1 Due to the pupil's illness, including an absence for the benefit of the pupil's mental or behavioral health.
- 2 Due to quarantine under the direction of a county or city health officer.
- 3 For the purpose of having medical, dental, optometric, or chiropractic services rendered.
- 4 For the purpose of attending the funeral services or grieving the death of either a member of the pupil's immediate family, or of a person that is determined by the pupil's parent or guardian to be in such close association with the pupil as to be considered the pupil's immediate family, so long as the absence is not more than five days per incident.
- 5 For the purpose of jury duty in the manner provided for by law.
- 6 Due to the illness or medical appointment during school hours of a child of whom the pupil is the custodial parent, including absences to care for a sick child, for which the school shall not require a note from a doctor.

## Importance of Attendance

California law requires that children between the ages of 6 and 18 attend school every day. While the law does not currently apply to children below the age of six, research shows that early education (pre-school and kindergarten) is essential for future academic success. It is the parent/caregiver's responsibility to ensure that their child gets to school every day.

### Tips for Parents/Caregivers: Getting to School on Time

- Make sure your child goes to bed early and gets a good night's sleep.
- Develop a morning routine (get dressed, eat breakfast, brush teeth) and stick with it.
- Talk with your child about the importance of attending school every day for academic success.
- Arrange a time every night without interruptions for your child to do homework.

### Regular Attendance is Essential!

National and local research has shown that students with frequent absences, whether excused or unexcused, have lower literacy levels, lower grades and higher drop-out rates than students who attend school regularly.

The Governing Board believes that regular attendance plays an important role in student achievement. The Board will work with parents/guardians and students to ensure their compliance with all state attendance laws and may use appropriate legal means to correct problems of chronic absence or truancy. **Absence in excess of 10% or more days of school, whether those absences are excused or unexcused, will be considered Chronic Absence.**

For support in keeping your child in school, or if you have any questions about District Attendance Policy, please contact your school administrator or the Student Family Services Division, by calling (415) 340-1716, emailing [sflink@sfusd.edu](mailto:sflink@sfusd.edu) or submit an online form at [familylink.sfusd.edu](http://familylink.sfusd.edu).
