JAG FUND: WE NEED YOUR HELP TODAY!

We've raised \$89,000 toward our \$125,000 goal. A huge shoutout to everyone who has contributed to our Jag Fund already - thank you!

We're making great progress, but we need YOUR HELP TO RAISE \$36,000 more in 2 months.

Your support brings to life amazing programs like outdoor science education, a thriving garden, family socials, classroom supplies, support for the Wellness Center, P.E. uniforms, teacher grants, and staff appreciation events.

Together, let's reach our goal and make APG even stronger for our students! Donations can be made through PayPal or by a Check (made to 'APG PTA').

[[Learn more here.](#)]

Thank you for being a vital part of our public school community. Let's do this, Jaguars!

The image shows a thermometer-style progress indicator for the APG Jag Fund. The thermometer is blue and has a red arrow pointing to the top, which is labeled 'GOAL \$125,000'. The current amount raised, '89,000', is shown in a purple box on the thermometer. A QR code is located at the bottom of the thermometer.

NOW is the best time to make sure our eligible students can receive a \$120 SUN Bucks card in the Summer of 2025!

It is never too late to submit the 2024-2025 SFUSD Multipurpose Family Income Form (MFIF) online at SchoolCafe.com. Submitting the MFIF will help families ensure their eligibility is documented so they can receive SunBucks. Eligible families must also ensure that their mailing address in Synergy is up to date so their card gets to them.

Timeline: Eligibility for SunBucks 2025 goes through August 31, 2025.

- To receive SunBucks by June 2025, please submit a MFIF to confirm eligibility by March 31, 2025.
- If a family submits for eligibility after March 31, 2025, they can still receive SunBucks, however it will arrive AFTER June, 2025.
- This information can be found on the California Department of Education website, in the “Application” tab.

If a family’s eligibility has been established Free or Reduced between July 1, 2024 and now, either via Direct Certification or the MFIF, they do not need to re-submit anything. If a family has not yet established their eligibility, they need to submit their MFIF at **SchoolCafe.com**. Parents/Guardians are sent student school benefits eligibility letter to the email address on file with SFUSD, they can search their inbox for SFUSD Direct Certification or SFUSD MFIF Results, and learn their results. To access the letter they should create an account in schoolcafe.com, which stores the letters for future use, see this **helpful guide**.

Helpful Information Considering the Current Climate: The U.S. Department of Homeland Security (DHS) and U.S. Citizenship and Immigration Services (USCIS) do NOT consider health, food, and housing services as part of the public charge determination. This means many government funded benefits and services are safe to use. SUN Bucks is a food benefit like Pandemic EBT and CalFresh. Using these government funded benefits will NOT hurt your immigration status.

The public charge rule does NOT apply to every immigrant. Getting government funded benefits alone does NOT make you a public charge. Government funded benefits received by your children and family members do NOT make you a public charge. If you have questions about your immigration status and this food benefit, more information about public charge is available at www.cdss.ca.gov/inforesources/cdss-programs/refugees/public-charge.

Excused and Unexcused Absences

([SFUSD Board Policy 5113](#))

Valid Excused Absences (Absences Excused by State law)

Verification of student absences is accepted only from parents/guardians/caregivers, or the student if they are 18 years old or older.

CA Education Code 48205 states that a student shall be excused from school when the absence is:

- 1 Due to the pupil's illness, including an absence for the benefit of the pupil's mental or behavioral health.
- 2 Due to quarantine under the direction of a county or city health officer.
- 3 For the purpose of having medical, dental, optometric, or chiropractic services rendered.
- 4 For the purpose of attending the funeral services or grieving the death of either a member of the pupil's immediate family, or of a person that is determined by the pupil's parent or guardian to be in such close association with the pupil as to be considered the pupil's immediate family, so long as the absence is not more than five days per incident.
- 5 For the purpose of jury duty in the manner provided for by law.
- 6 Due to the illness or medical appointment during school hours of a child of whom the pupil is the custodial parent, including absences to care for a sick child, for which the school shall not require a note from a doctor.

Importance of Attendance

California law requires that children between the ages of 6 and 18 attend school every day. While the law does not currently apply to children below the age of six, research shows that early education (pre-school and kindergarten) is essential for future academic success. It is the parent/caregiver's responsibility to ensure that their child gets to school every day.

Tips for Parents/Caregivers: Getting to School on Time

- Make sure your child goes to bed early and gets a good night's sleep.
- Develop a morning routine (get dressed, eat breakfast, brush teeth) and stick with it.
- Talk with your child about the importance of attending school every day for academic success.
- Arrange a time every night without interruptions for your child to do homework.

Regular Attendance is Essential!

National and local research has shown that students with frequent absences, whether excused or unexcused, have lower literacy levels, lower grades and higher drop-out rates than students who attend school regularly.

The Governing Board believes that regular attendance plays an important role in student achievement. The Board will work with parents/guardians and students to ensure their compliance with all state attendance laws and may use appropriate legal means to correct problems of chronic absence or truancy. **Absence in excess of 10% or more days of school, whether those absences are excused or unexcused, will be considered Chronic Absence.**

For support in keeping your child in school, or if you have any questions about District Attendance Policy, please contact your school administrator or the Student Family Services Division, by calling (415) 340-1716, emailing sfink@sfusd.edu or submit an online form at familylink.sfusd.edu.
