Valid Excused Absences (Absences Excused by State law)

Verification of student absences is accepted only from parents/guardians/caregivers, or the student if they are 18 years old or older.

CA Education Code 48205 states that a student shall be excused from school when the absence is:

- 1 Due to the pupil's illness, including an absence for the benefit of the pupil's mental or behavioral health.
- 2 Due to quarantine under the direction of a county or city health officer.
- 3 For the purpose of having medical, dental, optometric, or chiropractic services rendered.
- 4 For the purpose of attending the funeral services or grieving the death of either a member of the pupil's immediate family, or of a person that is determined by the pupil's parent or guardian to be in such close association with the pupil as to be considered the pupil's immediate family, so long as the absence is not more than five days per incident.
- 5 For the purpose of jury duty in the manner provided for by law.
- 6 Due to the illness or medical appointment during school hours of a child of whom the pupil is the custodial parent, including absences to care for a sick child, for which the school shall not require a note from a doctor.
