Parent/Teacher Conference Week

Dear APG Families,

As a reminder, middle school **parent-teacher conferences are the week of 11/17-11/21 (2:20-4:00)**. Because we have 1,200 students, holding an individual parent conference for every child within the PTC window is impossible. For this reason, we prioritize conferences for students that the teachers identify. The grade-level counselors will be reaching out to families to schedule conferences with your child's teachers, or you may be interested in requesting a conference to find out how your child is doing and what you can do to partner with your child's teacher to make sure they have a successful school year. We encourage your children to participate in the conference. The conferences can either be virtual or in-person at A.P. Giannini.

Suppose you have yet to receive a request to meet for a conference from the counselors and are interested in connecting with your children's teachers to see how things are going this semester. In that case, you can schedule a conference by contacting the grade-level counselors. Our goal is to meet with all families interested in a conference.

Contact your child's grade-level counselor to schedule the conference:

- 6th Grade - Mr. McDaniel (McdanielS@sfusd.edu)
- 7th Grade - Ms. Kruger (KrugerK1@sfusd.edu)
- 8th Grade - Mr. Jang (JangJ1@sfusd.edu)

SNAP EBT BENEFITS CONTINUE IN SF

As posted in the SF Chronicle on 10/28, “in San Francisco, 112,000 city residents who use SNAP are expected to have all of their November benefits covered by gift cards the city is preparing to distribute through an \$18 million public-private partnership, according to Mayor Daniel Lurie’s office.

Half the money will come from the \$400 million reserve that Lurie and San Francisco lawmakers established in the city budget this year to help the local government alleviate federal funding cuts under the Trump administration. The other half will be paid for by the Crankstart Foundation.

Lurie’s office said that by the middle of next week, all San Francisco residents who use SNAP should receive mail from the city providing a QR code that will let residents to download the gift cards digitally or request that a physical one be mailed to them. All 11 city supervisors have already agreed to approve the city funding.”

- 2 Due to quarantine under the direction of a county or city health officer.
- 3 For the purpose of having medical, dental, optometric, or chiropractic services rendered.

- 5 For the purpose of jury duty in the manner provided for by law.
- 6 Due to the illness or medical appointment during school hours of a child of whom the pupil is the custodial parent, including absences to care for a sick child, for which the school shall not require a note from a doctor.
