Each year, we accept 36 sixth-graders from public and parochial middle schools in the San Francisco Bay Area. Our students represent the diversity of the Bay Area and have had a range of academic preparation. In general, Breakthrough Summerbridge students:

- are self-directed and motivated
- have a goal of attending college
- demonstrate academic promise
- have a firm commitment to learning and value education
- have a compelling economic need for a tuition free program

While [Breakthrough Summerbridge](#) students each come to the program with different needs, our goal is that all students leave with the academic skills that will prepare them for successful experiences at rigorous college-preparatory high school programs.

## Required Family Commitment:

- THREE consecutive six-week summer sessions. Daily attendance is mandatory.
- Student attends After-School Enrichment (ASE) program. Weekly attendance is mandatory.
- High school placement program for eighth-grade students and families.
- Breakthrough Summerbridge Family Association meetings for parents and guardians take place about four times per year; attendance is mandatory.
