YEARBOOK

The Yearbook Team is hard at work putting together the yearbook and are confident you will love it! The yearbook will have 110 pages and costs \$34.98 for soft cover or \$41.90 for hard cover, before taxes. Please order yours by April 17th!

To purchase the yearbook, follow the instructions below:

- If you already have a Treering account for a student at APG, log in and start on Step 4.
- If you already have a Treering account for another school, log in, go to "My Profile" and add APG by clicking "Add New School/Year" with the passcode on Step 2.
- If you are entirely new to Treering, start on Step 1.

1. Go to <http://www.treering.com/validate>
2. Enter A.P. Giannini's passcode: 1013464459651010
3. Create an account with student's:
 - full name (name that is on schedule),
 - grade, and
 - 1° teacher (Indicating the 1° teacher will help us distribute yearbooks to classrooms when they arrive. Students should update their teacher so it does not show an old teacher's name.)
4. Click the "Explore Yearbooks" button
5. Use the white button to choose Soft or Hard Cover
6. Click the black "Add to cart" button and click the shopping cart in the upper right corner.
7. Follow Treering's order process.

Students may also edit 2 custom pages for their own yearbook. If students choose not to edit their own pages, they will receive 2 extra blank autograph pages.

The plan is to have all yearbooks shipped to school and distributed to students in late May (shipping to school is free). All yearbook orders should be placed by Friday, April 17, 2026!

Hi families! I'm Denelle Crespo and I'm thrilled to join the A.P. Giannini community as your Family Liaison. I'm excited to bring my experience in education and social community settings to APG to support students and families in navigating middle school, connecting with resources, and hosting family workshops and social events to strengthen family engagement. I look forward to learning about our APG community directly from our families and hearing how I can best support you - whether it's advocating for your child's needs, offering guidance, or being a thought partner and listening ear. As a San Francisco native, I love seeing kids and families thrive and am passionate about giving back to the community that raised me. I'm excited to be part of your child's school experience and to work alongside you this year.
