Dear APG community,

It is with great sadness that we are writing to share some news from our garden. Sadly, one of our four chickens, Gooseberry, passed away unexpectedly Thursday night. Gooseberry has been a meaningful part of our APG Garden and we know many students and families have loved caring for her and getting to know her over the years.

In response and with care, our Garden Club students supported the garden educator to lay Gooseberry to rest during lunch on Friday. We are working closely with our school social worker, Allison Dean and our wellness team to ensure students are supported and have space to process their feelings during this time.

Our Garden Teachers, Ansel and Ada, will also be planning another opportunity for students and families to come together and share memories about Gooseberry. We will share additional details once plans are finalized.

Thank you for your continued support of our garden, for caring for our chickens, and for partnering with us in holding space for our community.

# REMINDER - SICK STUDENTS

PLEASE NOTE IT'S FLU/RSV SEASON. DOZENS OF STUDENTS COME TO SCHOOL WHILE SICK EVERY DAY! WE HAVE HAD TO CALL PARENTS/CAREGIVERS TO PICK UP THEIR SICK STUDENTS FROM SCHOOL WHEN THEY SHOULD BE RESTING AT HOME.

**IF YOUR STUDENT IS SICK, PLEASE KEEP  
THEM AT HOME TO REST AND RECOVER.**

WE CAN KEEP EVERYONE HEALTHIER AT APG WHEN SICK STUDENTS/ STAFF STAY HOME AND RETURN WHEN THEY'RE WELL. READ [GUIDANCE HERE](#).

# Community Taste Tests For Prepared Meals Vendor

Student Nutrition Services is conducting [community taste tests](#) to evaluate meal vendors for the upcoming contract. We need your help!

Student Nutrition Services (SNS) published a Request for Proposal (RFP) in January 2026 for a vendor to provide Prepared Meals & Delivery Services. This contract is currently held by Revolution Foods. SNS typically goes out to bid on this contract approximately every five (5) years. Issuing a request for bids is a standard, required part of the procurement process.

The Community Taste Tests result will directly impact which vendor SNS will move forward with. SNS will host four taste tests with limited capacity. Our top priority will be getting feedback from students who attend the schools that receive these vended meals. See below for the dates, times, and locations for the four taste tests.

## **February 19, 2026**

- 3:15 pm - 4:15 pm at Malcolm X Academy Elementary School
- 4:30 pm - 5:30 pm at Visitacion Valley Middle School

## **February 20, 2026**

- 2:15 pm - 3:15 pm at Lafayette Elementary School
- 4:00 pm - 5:00 pm at Wallenberg High School

If you or your student would like to attend one of the above taste tests, please complete this [Community Taste Test Interest Form](#). If you are a parent/guardian, but your student will be attending, please complete the form on behalf of your student and submit their name and school. Interest Form Disclaimer: Please note that it's not guaranteed that you will be selected to attend, we are using a priority system that puts student attendees first, especially if they attend a school that serves vended meals. We will notify you via email if you've been selected to participate.

# School Vehicle and Bike Rules

**Due to new California laws effective January 1, 2026, and the increasing number of students riding vehicles to school (bikes, scooters, motorized vehicles, etc.), we are implementing these rules, effective immediately.**

**All APG students must:**

- Wear a helmet while riding their vehicle (per state law)
- Lock their vehicle outside of school (there are racks in front of APG at 38th Avenue)
- NOT ride/bring their vehicle into school or the yard (except skateboards, which are stored on a rack in the counseling office)
- NOT ride with other students on their vehicle with them (i.e., one person per vehicle)

**The following are legal vehicles for middle school students to ride to school:**

- manual bikes
- manual scooters
- manual skateboards
- class 1 electric bikes

**Per California law, these are illegal vehicles for middle school students to ride on streets and/or sidewalks:**

- mini motorcycles/pocket bikes
- class 3 electric bikes
- electric scooters

# Come see *Something Rotten Jr!*

*Something Rotten Jr.!* is a unique musical about two brothers, Nick and Nigel Bottom, who are struggling to produce a hit play while William Shakespeare takes the spotlight in play writing. The two brothers find trouble coming up with an idea that they themselves both love, and something that people would find entertaining, so they pay a soothsayer to look into the future and see what the next big hit in acting would be: musicals? *Something Rotten Jr.!* is a fun story that explores the topics of sibling rivalry, love, acceptance, and of course, musicals, with many laughs along the way!

Each year, we accept 36 sixth-graders from public and parochial middle schools in the San Francisco Bay Area. Our students represent the diversity of the Bay Area and have had a range of academic preparation. In general, Breakthrough Summerbridge students:

- are self-directed and motivated
- have a goal of attending college
- demonstrate academic promise
- have a firm commitment to learning and value education
- have a compelling economic need for a tuition free program

While [Breakthrough Summerbridge](#) students each come to the program with different needs, our goal is that all students leave with the academic skills that will prepare them for successful experiences at rigorous college-preparatory high school programs.

## Required Family Commitment:

- THREE consecutive six-week summer sessions. Daily attendance is mandatory.
- Student attends After-School Enrichment (ASE) program. Weekly attendance is mandatory.
- High school placement program for eighth-grade students and families.
- Breakthrough Summerbridge Family Association meetings for parents and guardians take place about four times per year; attendance is mandatory.
