Welcome back APG!

APG Dance classes are in full swing. We've started our year off strong with daily technique classes, some conditioning, and have already started experimenting with choreography creation. The energy is great. We're excited to see how we make progress, and where our creativity takes us.

Drama

In Drama class, students are learning skills to help them with upcoming performances.

Intermediate Drama
7th graders have been working on building an ensemble. They studied character physicality using paintings, Laban movements, animals, dance, and costume.

Advanced Drama
8th graders are studying the "father of modern acting", Constantin Stanislavski, and using their affective emotional memory to bring realism to their acting.

Drama Tech
Students have been practicing important skills: measuring, cutting, painting, sewing, and gluing. They also learned about parts of the stage and different jobs in theater.

Beginning Drama
6th graders in the arts rotation learned about the actors' toolbox and creating ensemble. They used pantomime skills we practiced to present an individual pantomime to the class.

Tell us what matters to your family: Take the Survey

SFUSD is rewriting the rules that decide which elementary school each student attends. The new rules would start with students enrolling in August 2028. Nothing has been decided yet, and we want to hear from families first. You do not need to have a child in SFUSD. If your child is in a private or charter school, or is not in school yet, we especially want to hear from you. Families choosing a school for the first time are the ones this change affects most.

SFUSD Student Assignment Reorganization Survey

SFUSD is asking families across San Francisco to take a survey about the future of elementary school assignments. The survey asks about how your child gets to school, what you know about schools near your home, and what a school would need for you to feel comfortable sending your child there. Every family in San Francisco is invited to participate. Your child does not need to attend an SFUSD school to take the survey. If your child attends a private or charter school, or is not yet in school, we especially want to hear from you. The survey is anonymous, and there are no wrong answers. It is available in English, Spanish, Chinese, Filipino, Vietnamese, Arabic, and Samoan.

Verification of student absences is accepted only from parents/guardians/caregivers, or the student if they are 18 years old or older.

CA Education Code 48205 states that a student shall be excused from school when the absence is:

- 2 Due to quarantine under the direction of a county or city health officer.
- 3 For the purpose of having medical, dental, optometric, or chiropractic services rendered.

- 5 For the purpose of jury duty in the manner provided for by law.
- 6 Due to the illness or medical appointment during school hours of a child of whom the pupil is the custodial parent, including absences to care for a sick child, for which the school shall not require a note from a doctor.
