The background of the poster is a watercolor illustration featuring various autumn-themed elements. At the top, there are pumpkins, pears, and clusters of small orange berries. Below these, there are several red apples, some whole and some sliced to show the seeds. Scattered throughout are various types of leaves, including some with red and orange autumn hues. The overall style is soft and artistic, with a warm color palette of oranges, yellows, and reds.

Looking for more math challenges?

Join APG Mathcounts!

Our lunch club meets on Fridays in Mr. Kizu-Blair's room 111 and we have practice after school on Tuesdays in Ms. Weng's room 207 which already started on Tuesday 9/15.

Your student will have a chance to compete against other SFUSD schools and win prizes for showing off their math skills!

Reach out to coaches Mr. Kizu-Blair (kizu-blairi1@sfusd.edu) and Ms. Weng (wengs1@sfusd.edu) with any questions about how your student can get involved.

Tell us what matters to your family: Take the Survey

SFUSD is rewriting the rules that decide which elementary school each student attends. The new rules would start with students enrolling in August 2028. Nothing has been decided yet, and we want to hear from families first. You do not need to have a child in SFUSD. If your child is in a private or charter school, or is not in school yet, we especially want to hear from you. Families choosing a school for the first time are the ones this change affects most.

[VIEW STUDY SESSION SLIDE DECK
AND VIDEO ON SFUSD WEBPAGE](#)

SFUSD Student Assignment Reorganization Survey

SFUSD is asking families across San Francisco to take a survey about the future of elementary school assignments. The survey asks about how your child gets to school, what you know about schools near your home, and what a school would need for you to feel comfortable sending your child there. Every family in San Francisco is invited to participate. Your child does not need to attend an SFUSD school to take the survey. If your child attends a private or charter school, or is not yet in school, we especially want to hear from you. The survey is anonymous, and there are no wrong answers. It is available in English, Spanish, Chinese, Filipino, Vietnamese, Arabic, and Samoan.

- 2 Due to quarantine under the direction of a county or city health officer.
- 3 For the purpose of having medical, dental, optometric, or chiropractic services rendered.

- 5 For the purpose of jury duty in the manner provided for by law.
- 6 Due to the illness or medical appointment during school hours of a child of whom the pupil is the custodial parent, including absences to care for a sick child, for which the school shall not require a note from a doctor.
