ELAC Nomination – APPLY BY 9/4/26

Dear Families: A.P. Giannini is holding elections for our English Learners Advisory Committee (ELAC).

We invite you to nominate yourself or others by this Friday, September 4th.

Nomination Form

The purpose of the [English Learners Advisory Committee \(ELAC\)](#) is to advise the principal, School Site Council (SSC) and school staff on programs and services for *English Learners*. The tasks are similar to the [SSC's](#) and include: the annual language census & making parents aware of the importance of regular school attendance.

The school council and committees are needed to support all our APG school programs. The school & district are responsible for providing you with the information and training you need to be an effective member. Generally, the groups meet once a month for two hours. Each member is elected for either a one or two year term. Family members often offer insights on how effective our school is in creating a positive learning environment and how well their children understand their assignments. Perspectives, and parent participation/involvement are important to our school. If you have any questions, please do not hesitate to email (schoemant@sfusd.edu) Mr. Schoeman, Principal or call him (628-233-7151). Thanks for [nominating](#) yourself for this important committee!

Special thanks to all who worked on and donated to our Memorial Garden space. Our students and staff adore our beautiful plants and trees at APG, hanging with our four chickens, socializing among flowers, growing a variety of vegetables each season, and relaxing in a green space.

Happy Gardening!

The PTSA Garden Committee shares a HUGE THANK YOU to the amazing volunteers who came out to help with the first phase of our APG Chicken Coop remodel last weekend!

Special thanks to Lucas, our fearless foreman on the job, and to Jennifer and Greta (6th grade), Roy and Leo (7th grade), and Cef and Paul (8th grade parents) for rolling up their sleeves and helping us get this much-needed project underway.

We're so grateful for the time, energy, muscle, and community spirit you brought to the garden last Sunday. This is just the beginning, and we're excited to see our new-and-improved coop take shape and eventually welcome some feathered friends back to APG!

A friendly reminder that there's more work to be done in our beautiful garden with Teacher Ansel on Sunday, September 13th from 12:30-3:30. [RSVP HERE!](#)
