APG GARDEN FUNDRAISER

October 16th to 25th

Shop at any local, [SF Sloat Garden Center](#) location from 10/16 to 10/25, mention "AP Giannini" at the checkout, and our school garden will receive 10% back from all sales!

While you're there, please consider purchasing local succulent & garden soil to donate to our garden. When you purchase these two items at Sloat this week, we benefit twice!

Questions? Donations? Want to join our fantastic Garden Team? [Email Ansel HERE](#).

Special thanks to all who worked on and donated to our new chicken coop space - we appreciate you!

Happy Gardening!

Turn your plant shopping into a donation for our school, at no extra cost to you!

How it Works

Our community shops at Sloat Garden Center during any of the six yearly Growing Up Green fundraising sessions and mentions our school's name at checkout (Please note: Gift card purchases do not apply). Sloat Garden Center donates 10% of the pre-tax purchases back to our school as a Sloat gift card.

Bonus Opportunity!

The school with the highest total during each fundraising session receives **double the donation!** (20% instead of 10%)

How Your Support Helps

The gift cards earned are used by our school to fund vital green projects and classroom needs, including:

Gardening Supplies: Seeds, tools, and soil for school gardens.

Science & Nature: Live plants and materials for hands-on learning.

Community Events: Raffle prizes and auction items for school fundraising.

Sloat Garden Center dona 10% del total de compras (antes de impuestos) a nuestra escuela en forma de una tarjeta de regalo de Sloat.

¡Oportunidad de Bono!

La escuela con el total más alto durante cada sesión de recaudación recibe **doble de la donación** (20% en lugar del 10%)

Cómo Ayuda Tu Apoyo

Las tarjetas de regalo obtenidas son utilizadas por nuestra escuela para financiar proyectos ecológicos y necesidades del salón de clases, incluyendo:

Valid Excused Absences (Absences Excused by State law)

Verification of student absences is accepted only from parents/guardians/caregivers, or the student if they are 18 years old or older.

CA Education Code 48205 states that a student shall be excused from school when the absence is:

- 1 Due to the pupil's illness, including an absence for the benefit of the pupil's mental or behavioral health.
- 2 Due to quarantine under the direction of a county or city health officer.
- 3 For the purpose of having medical, dental, optometric, or chiropractic services rendered.
- 4 For the purpose of attending the funeral services or grieving the death of either a member of the pupil's immediate family, or of a person that is determined by the pupil's parent or guardian to be in such close association with the pupil as to be considered the pupil's immediate family, so long as the absence is not more than five days per incident.
- 5 For the purpose of jury duty in the manner provided for by law.
- 6 Due to the illness or medical appointment during school hours of a child of whom the pupil is the custodial parent, including absences to care for a sick child, for which the school shall not require a note from a doctor.

COVID and Respiratory Virus Guidance

SFUSD continues to follow current California Department of Public Health (CDPH) guidance for preventing and managing COVID-19 and other respiratory illnesses in school settings. Schools should use CDPH's Child Symptom Guidance when determining whether a student who is sick should remain at school or be sent home.

How can we help [prevent COVID](#) and other respiratory illnesses at our school?

Recommended prevention strategies include:

- Staying up to date with vaccinations
- Optimizing indoor air quality
- Use high quality and well-fitted face masks when needed
- Washing hands regularly and covering coughs and sneezes
- Staying home when sick

What should we do if a student is sick? [See guidance](#) from CDPH.

Staying home when sick can lower the risk of spreading [communicable diseases](#). When a student arrives with symptoms of illness or develops symptoms at school, the school staff must decide as to whether the child can remain on site or go home. See [SFUSD Guidelines HERE](#). Schools should refer to [CDPH guidance](#) when determining whether to send the child home (i.e., temporarily exclude) or allow them to remain on site.

For respiratory illnesses, students should generally stay home until their symptoms are improving overall and they have been fever-free for at least 24 hours without using fever-reducing medication.

Many factors should be considered when making this decision, including how to limit the spread of diseases to others, while also limiting educational, social, and other losses that might occur due to absence.
